## **PLACEMENT AND CAREER GUIDANCE CELL**

**ANNUAL REPORT 2018-2019**

St. Claret College Placement and Career guidance cell aims to provide world-class training to the students, like certification programs, skill development courses, workshops, and seminars to ensure students are placed at the Core organizations with a good salary package. The Placement Cell conducts various skill developments training in collaboration with the Industry experts to bridge the gap between campuses to corporates to ensure companies have to visit campus year after year to recruit fresh talent from SCC Campus.

Students are also trained in motivational skills, communication skills, interpersonal relationships, leadership qualities, group discussions, and interview techniques from the first year. Additionally, also provides the required infra-structural facilities to conduct group discussions, tests, and interviews.

The objective of the Placement and Career Guidance Cell is to encourage and exploit the talents of the students, and train and guide them to choose the right career. It also aims at promoting discipline and conduct good communication and a positive attitude among the students.

Generating a synergistic relationship with the industry with a long-term view where the college and the industry could have a mutually beneficial relationship, it aims for a rigorous, relevant, and rewarding education with a special emphasis on practical and technical inputs.
