## **2. PROFESSIONAL SKILLS DEVELOPMENT PROGRAM**

This report provides an overview and evaluation of the Professional Skills Development Program conducted for college students. The program aimed to equip students with essential professional skills necessary for success in their future careers. It included various hands-on activities designed to enhance their communication, time management, presentation, and decision-making skills.

### **Objectives**

1. To provide students with hands-on experience and practical knowledge related to their chosen fields of study.
2. To enhance students' confidence and readiness for the job market.
3. To foster a culture of continuous learning and personal development among students.

### **Program Overview**

In today's fast-evolving professional landscape, skill development faces several challenges, including the **rapid pace of change** and **limited awareness of the importance of continuous learning**. To address these challenges and nurture a **growth-oriented mindset**, the **Professional Skill Development Programme** at St. Claret College Autonomous is designed to strengthen students' employability skills from the first year onwards.

For **First-Year UG students**, the program focused on **core soft skills** such as:

- Communication Skills
- Time Management
- Decision-Making
- Presentation Skills
- Understanding Corporate Expectations

This module, spread over **16 hours**, was facilitated by a blend of **external experts** and **in-house trainers**, who shared valuable insights on the importance of soft skills in achieving professional success.

For **Final-Year UG students**, the program emphasized both **soft skills and quantitative aptitude**, ensuring holistic preparation for placements. Students underwent **40 hours of intensive training** before participating in recruitment drives.

These sessions were conducted by **corporate trainers, industry professionals, alumni working in reputed organizations**, helping students gain real-world perspectives and develop essential workplace competencies.

Through this initiative, the Training and Placement Centre continues to equip students with the necessary skills, confidence, and adaptability required to thrive in a dynamic professional environment.

**Outcome:**

1. Enhanced self-confidence through improved skills and knowledge.
2. Enhanced ability to manage time effectively, balancing various responsibilities.
3. Acquiring technical skills relevant to industries.
4. Regular feedback from instructors and peers helps in continuous improvement.
5. Ability to adapt to changing environments and requirements

**Placement Department Best Practices:****3.Alumni Talk Series**

The **Alumni Talk Series** was designed to bridge the gap between academic learning and real-world industry experience by bringing together successful alumni and current students. Each session was thoughtfully curated to help students explore diverse career paths, understand emerging industry trends, and gain insights from professionals who have excelled in their respective domains.

The topics covered during the series were carefully selected to address the specific learning needs of students across various business disciplines. Key sessions included:
