Our Prayer

**O my God and my Father,
May I know You and make You known.
May I love You and make You loved.
May I serve You and make You served.
May I praise You and make all creatures praise You.
My Father, grant that all be united in grace,
Justice be ever triumphed,
Peace be always prevailed
and all attain the fullness of lives in eternal glory, Amen.**

Our Anthem

**With dreams in hearts and passion in our soul-wings
O Claretines move ever onward joyous
To form a culture of love and compassion
In the lives of all we love and serve and live with
You walk the labyrinth of time and space
Seeking the fruits of knowledge and skills
Schooling in the arithmetic of wisdom
You carry God's love in your hearts.**

**O Claretines! you are a beacon
Formed at the portals of Alma Mater St Claret
With skills of intellect 'n' competencies
With spirit bathed in morals and values
With social concern 'n' respect for cultures
Be a change agent for the world around you
The universe awaits renewal through your talents
For you carry God's love in your hearts.**

MOTTO AND CREST OF ST. CLARET COLLEGE, AUTONOMOUS

The Motto of an institution captures the essence of the mission of an institution, and presents the recipients of its mission with an inspirational vision-phrase to focus their creative energies on. The crest presents the same in symbols, which elaborates the ethos, status and purpose of the institution.

'Ever Onward', the motto of St. Claret College, Autonomous sums up the direction of the creative energies of the College. The College is ever committed to continuous and refreshing efforts to constantly renew itself and strive for the creation of a civilization of love, as stated in its Mission Statement. 'Ever Onward' inspires the management, faculty and staff to constantly improve their personal and professional skills to realize the onward march. The clarion call of 'Ever Onward' constantly encourages the Claretines - the students of SCC - to so nourish themselves at the portals of the college that their lives would always evolve into greater and finer levels of self-realization and transcendence.

The crest symbolically captures the educational mission and vision of SCC: the white dove stands for the noble qualities in a person, the qualities of the heart that shape ones character and transform one into a blessing unto the society. The dove also stands for the Holy Spirit, who is the source of all wisdom and signature of God in human hearts. Its forward and upward movement points to the evolution of the person into greater and finer levels of self-realization and transcendence at the service of the society, which finally leads to the creation of a civilization of love. The blue sky in the background symbolizes the limitless possibilities that invite a Claretine to evolve into. The letters CMF stand for the Claretians, the management of SCC, who, inspired by life and impelled by love, play the catalyst in the evolution of each Claretine.

ST. ANTHONY MARY CLARET

The College is named after its Heavenly Patron, St. Anthony Mary Claret, a 19th Century Catholic Archbishop of Cuba and Founder of the Congregation of Claretian Missionaries.

St. Anthony Claret (born on December 23, 1807) was a native of Sallent in Spain and a successful businessman. However, riches and success did not satisfy him and he left his worldly pursuits in response to God's call. Burning with love for God and fellow human beings, he became a priest and then founded a congregation of priests and brothers to spread the message of God's love for humanity. He sought to serve God and people using "all means possible". He was a profound teacher; he taught through his sermons and lectures, innumerable writings and exhortations. He was a social reformer; he initiated innovative undertakings for the uplift of the poor and the marginalized, to bring them to the mainstream of the society. He was a visionary; he designed and implemented original projects for agricultural and industrial development in the society. He was a prophet with genuine spiritual courage; he denounced unhealthy and oppressive structures and practices of the times and called for a return to spiritual and moral values. Above all, he was a caring spiritual father and symbol of God's love for the people. Persecuted and exiled, he died on October 24, 1870. He was canonized a Saint in 1950 by Pope Pius XII.

THE CLARETIANS

St Claret College, Autonomous is established by the Claretian Missionaries, an International Society of Catholic Priests and Brothers. The Congregation of Claretian Missionaries (also called Missionary Sons of the Immaculate Heart of Mary) was founded on July 16, 1849 by St Anthony Mary Claret, in Spain. At present, there are over 3000 Claretians working in 71 countries. On fire with love for God in Jesus Christ and fellow human beings, they engage in pastoral, social and educational endeavors for the promotion of human life and dignity.

In India, there are over 600 Claretians working in eleven states. They serve the poor and the marginalized through pastoral and spiritual animation, educational endeavors, care for the leprosy-affected, drug addicts, Aids patients, ex-prisoners, the blind, the differentially-abled, tribals and dalits. In India, they run more than 40 educational institutions, which include schools, colleges and institutes of higher learning.

BRIEF HISTORY

St. Claret College, Autonomous was established in 2005 by the International Missionary Congregation of Claretians who manage two universities and over 150 educational institutions in 71 countries around the world. Starting with two programs, now the college has many Undergraduate and Six Post-graduate programs and over 3000 students. The Bengaluru SCC Campus is managed by the Claretian Society for Integral Human Development established with the aim of providing holistic and quality education to students from India and overseas. The campus shelters three other educational institutions: St. Claret School, Anthony Claret (AC) School and St. Claret Pre-University College. Moved by the spiritual genius of St. Anthony Mary Claret, its patron, and supported by the robust Christian intellectual tradition, St. Claret College, Autonomous offers value-based education to transform students to be enlightened leaders and networkers who bring about a civilization of love and harmony. St. Claret College, Autonomous is recognized by UGC, permanently affiliated to **Bangalore University, AICTE Approved** and **was conferred Autonomous Status in 2024**. Students consistently excel academically, and the championships won across cultural and sports events reflect the college's strong

commitment to co-curricular and extracurricular activities. Situated on a serene and picturesque campus in the Garden City, Bengaluru, SCC offers a refreshing atmosphere conducive to serious academic pursuits and professional training. The College provides world class, state-of-the-art infrastructure and facilities. SCC is dedicated to the principle that its educational services and faculty should be both supportive and challenging, distinguished by creative and interactive learning experience for each student. In order to make the students employable, various corporate and non-profit organizational personnel are invited to give hands-on experience of the corporate world. In addition to the regular curriculum, special training by professional bodies is provided to equip the students with professional skills such as presentation skills, debating, group discussions, team work and leadership skills which enable them to get suitable jobs in the corporate world.

LOCATION AND CAMPUS

St. Claret College, Autonomous affiliated to Bangalore University, is located at MES Road at Jalahalli in Bengaluru. MES Road is a part of the Outer Ring Road, and it makes St. Claret College, Autonomous easily accessible from all parts of the city.

The presence of St. Thomas Church, St. Claret School, AC School and St. Claret PU College on the campus adds further a spiritual and academic aura to the campus and infuses into the students a commitment and devotion to study and facilitates a holistic and integrated learning experience in this temple of learning.

OUR OBJECTIVES

1. To provide for value-based, meaningful and productive higher education.
2. To offer traditional, professional and employment-oriented regular courses and innovative add-on courses that will equip the youngsters for effective and fruitful personal and professional lives.
3. To provide for on-going training, research and documentation at the service of knowledge and life enhancement, and community and nation building.
4. To create a scientific temper, research rigor, holistic vision and leadership skills at the service of building up a better society.
5. To impart basic human values of peace, love, justice, compassion, community-mindedness and a life of gratitude in the younger generation.

OUR VISION

Our Vision is to promote educational excellence, leadership and service based on universal love and brotherhood in an environment characterized by respect for the individual and concern for the community, so as to effect holistic transformation in each student.

OUR MISSION

Our Mission is to form intellectually competent, professionally skilled, spiritually vibrant, morally responsible, socially just and culturally sensitive global citizens, through holistic Claretine education, to advance a civilization of love and harmony.

QUALITY POLICY

SCC is guided by the following quality policy:

With a view to translating the vision into reality, St. Claret College, Autonomous is committed to:

- Identify, encourage and incorporate all good practices leading to a holistic development of students and constant upgradation of pedagogic skills of the teachers.
- Provide all necessary human and infrastructural resources and mechanisms to foster this development.

OUR HIERARCHY OF CORE VALUES

1. Faith in God

Claretines shall come to recognize that there is an absolute being to whom they belong and in whose love they live, move and have their being. A loving, genuine, creative faith shall come to permeate their life choices.

2. Justice

Having come to believe that they belong to God, Claretines shall come to appreciate the need for justice in their relationships and in society. They shall work towards the realization and furtherance of justice in personal lives and society.

3. Truthfulness & Personal Integrity

Claretines shall uphold truthfulness and personal integrity in their lives and choices. Truth may hurt, but it eventually heals and gives life.

4. Respectful Relationality

In their four-fold relationship - to God, nature, fellow human beings and oneself, they shall have an attitude of respect and reverence. For the whole creation manifests the handiwork of God.

5. Service

Claretines shall commit themselves to study and professional training for the ultimate purpose of placing their skills and lives at the service of the fellow human beings and the society.

6. Synergic Co-operation

Claretines shall prize co-operation and synergic collaboration in group for the realization of goals. Any healthy competition shall be supplemented by co-operation that is synergic [mutually enhancing and productive]. Personal glory oriented competition is not to be a Claretine value.

7. Intellectual Competence

Every Claretine shall strive to the best of his / her ability to achieve intellectual competence, which would equip him / her to realize the creation of a civilization of love.

Internal Quality Assurance Cell (IQAC)

SCC has established IQAC (Internal Quality Assurance Cell) in recognition of its relevance and significance of institutionalization of monitoring mechanisms for quality sustenance and enhancement, as advocated by NAAC (National Assessment and Accreditation Council).

Though the establishment of IQAC in Higher Education Institutions (HEIs) in India is a post NAAC accreditation quality sustenance requirement, St. Claret College (SCC) has proactively established a full-fledged cell aimed at creating and putting in place all mechanisms essential to deliver quality – both academic and administrative – and ensure their consistency and enhancement as pre-accreditation measure.

In keeping with the framework provided by the NAAC, the SCC IQAC is established with the following guidelines:

Objectives and Strategies :

- Improving the academic and administrative performance of the institution.
- Monitoring the quality parameters of the college.
- Optimizing, integrating and monitoring modern methods of teaching and learning.
- Maintaining consistency and enhancement in quality Promoting and institutionalizing innovative practices.
- Establishing and ensuring maintenance and functioning of the support structures.

Functions:

- Development of benchmarks for quality in academic and administrative activities.
- Dissemination of information on the various quality parameters of higher education.
- Organization of workshops and seminars related to quality and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.

IQAC will facilitate / contribute:

- To a heightened level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture.
- To the enhancement and integration among the various activities of the institution and institutionalize many good practices.
- To provide a sound basis for decision-making to improve institutional functioning.
- To act as a change agent in the institution.
- To improve inter communication.

NAAC Accreditation, AICTE Approval, UGC Recognition and Grant of Autonomy

In compliance with the UGC requirement for quality assurance, SCC is accredited by the **National Assessment and Accreditation Council (NAAC) with A+ Grade (CGPA of 3.31 on 4)**. The BCA, BBA, MBA and MCA programme are **AICTE (All India Council for Technical Education)** approved. The institution is also recognized under **Section 2(F) & 12(B) of UGC Act 1956** and permanently affiliated to **Bangalore University**. St. Claret College was awarded **Autonomous Status in 2024 by UGC for 10 years**.

SCC Publications

The following are the regular publications of SCC:

1. **Excelsior** is the annual college magazine of SCC. It covers the annual reports of the various activities of the college in an academic year and the creative expressions of students and faculty. Claretines are welcome to submit articles for publications in it to the editorial team.
2. **The Claretine** is the official News Bulletin of the events in the college.
3. **Bytes & Insights** is a biannual news bulletin, it serves as an effective platform to showcase the achievements, updates, and key activities of the UG Department of Computer Applications. It acts as a bridge between students, faculty, alumni, and other stakeholders by providing timely and valuable information. The bulletin highlights important events such as seminars, workshops, conferences, academic accomplishments, research contributions, cultural activities, and student initiatives. The bulletin inspires readers, strengthens connections, and continues to showcase the vibrant academic culture of the BCA community.
4. **The Bottom Line** is the bi-annual bulletin of the UG Department of Management, showcasing the department's vibrant academic and co-curricular journey. It captures the significant milestones, achievements, and initiatives that shape the learning experience of our students. The bulletin features departmental events, seminars, workshops, industry interactions, student accomplishments, faculty contributions, research activities, outreach programmes, and international collaborations.
5. **Explorations** is the official bulletin of the Department of Tourism and Travel Management. It captures the spirit of travel, learning and discovery showcasing the academic milestones, student achievements and industry engagements of the department. The bulletin reflects our vision of preparing globally aware, service oriented and industry-ready professionals who can contribute to sustainable and innovative growth in the tourism sector.
6. **Meraki** is the bi-annual newsletter of the Department of Social Work. It regularly chronicles the key programs and achievements of the department and its students. Field work, extension programs and knowledge enrichment sessions on varied social issues and themes.

7. **Mindful Milestones** captures the vibrant academic journey of the Department of Psychology through workshops, expert lectures, field visits, outreach programmes, student-led initiatives, debates, quizzes, and reflective learning experiences. These activities provided valuable opportunities for students to engage with contemporary issues in psychology, interact with professionals from diverse fields, develop practical skills, and strengthen their critical thinking and ethical perspectives.
8. **Fast Flash** is the official news bulletin of the PG Department of Commerce which serves as a platform to document and disseminate the academic, research, and co-curricular engagements of the department. 11. **Cognition** is a monthly e-magazine from the Department of MBA that caters to the intellectual demands of students and teachers. Cognition is entirely run by a team of students whose endeavor is to provide interesting and important information, often neglected by main stream media, to its readers.
12. **Lantern** the official bulletin of the Department of Social Sciences, proudly carries the tagline “The Mirror of Claret.” It showcases the various events, activities, and achievements of the department. Each issue is enriched with articles written by our talented students, reflecting their creativity and perspective. The editorial work and design are collaboratively managed by the students and faculty of the department. Published once every

semester, Lantern stands as a platform for expression, learning, and celebration of the Humanities spirit.

13. **Pratidhwani** is the official bulletin of the Language Department, serving as a vibrant platform for linguistic and literary expression. The name Pratidhwani, meaning “echo,” symbolizes the reverberation of voices, ideas, and cultural narratives across languages. It features creative writings, scholarly articles, translations, and departmental updates, reflecting the rich diversity of linguistic traditions.
14. **Inkspire** is the official bulletin of the Department of English, created to celebrate the academic, creative, and literary achievements of the department. It serves as a platform for students and faculty to share ideas, showcase talents, document departmental events, and highlight significant milestones. The bulletin features literary works, research insights, event reports, student accomplishments, faculty contributions, and creative expressions that reflect the vibrant spirit of the Department.

Student Support

Central to SCC's mission is to assist students on their journey towards holistic development. Through a variety of curricular, co-curricular and extra-curricular activities along with community orientation programmes, students learn skills, desirable attitudes, behaviours and values that make them balanced personalities and responsible global citizens. The student support services offer an overwhelming experience in the campus besides academic and personal growth.

A. Student Council

Student Council is a body of students to promote quality in student life. It is a support system for holistic development of the students. The Core Council is constituted of two College Captains (a girl and a boy, elected from the final year UG batches), two College Captains (a girl and a boy, elected from the final year PG batches), two Cultural Captains (a girl and a boy nominated from the final year UG batches) and two Sports Captains (a girl and a boy nominated from the final year UG batches). The larger student council comprises the Core Council, the department student councils, the elected class representatives and the nominated representatives of various clubs and associations. The student council is involved in organizing the Graduation day, Confluence - the intra-collegiate cultural and arts fest, Litera, the literary fest, Lingua Fiesta-the language fest, Mayurika- the Inter-collegiate cultural fest, intra and inter-collegiate sports fests and other fests. The four College Captains (UG & PG) are also members of IQAC. The members of the Core Council also represent in Discipline Committee and Grievance Redressal Cell. There are regular Student Council meetings every semester along with principal and the student council mentors. In this meeting the students evaluate activities, plan out the upcoming programmes and discuss relevant issues with the Management. The student council mentors are responsible for organizing the student council meetings and the other events in which student council has role. At the beginning of every academic year, a new student council is constituted. The Principal may dissolve the council at his discretion prior to its functional duration.

B. Student Welfare Office

The Student Welfare Office of St. Claret College, Autonomous is established with idea of promoting all round development of our students. The Student Welfare Office, serves a central role in student social life and development on campus. The office is committed in promoting a campus environment that fosters academic success, personal growth and student development. We encourage students to actively pursue their academic and life goals.

Objectives

- It provides support and administrative service for students.
- It promotes campus environment which cultivates sense of belongingness.
- Creates opportunities for students to integrate curricular and co-curricular learning by coordinating various events.
- To maintain discipline within the student body.
- Act as a liaison between the parents, students and the College management.

The college has 9 Student Welfare Officers with specific areas of responsibilities to ensure well being and overall development of students.

C. Counselling Services

Counselling service is a vital part of student support established with an objective to help the students to achieve self-direction, self-knowledge and self-realization.

College students experience diverse emotional & psychological stressors at college and at home relating to interpersonal relationships, adjustment, educational choice and occupational choice etc. But most of their problems are of personal-social in nature like making and keeping friends, feelings of inferiority complex, getting along with peer group, failures, fear of rejection, peer pressure, poor choices, study habits, depression, anxiety, grief etc.

Our professionally qualified counsellors provide personal and psychological counselling to students seeking more in-depth guidance related to their overall well-being. We provide our students with a safe, confidential and non-judgemental environment to share their concerns.

We encourage and welcome you to visit our Counselling Services and fully utilize the services we offer.

D. Student Awards

SCC recognizes and awards the academic toppers and the outstanding performers in cultural, arts, literature, music and sports areas from the graduating batches during the graduation ceremony. A committee of faculty members headed by the principal scrutinizes the nominations for these awards. The winners are presented with a citation and a cash award. The following are the student awards established at SCC:

Undergraduate Programs

8. CARE - Claret Centre for Mental Well-Being

The Claret Centre for Mental Well-being (CARE) at St. Claret College (Autonomous), under the aegis of the Department of Psychology, stands as a dedicated hub committed to fostering mental health and overall well-being. It provides a safe and confidential space where students, faculty, and the broader community can access essential mental health services. By addressing critical concerns and bridging gaps in mental health support, CARE ensures that individuals receive the guidance they need in a supportive and understanding environment.

With a broad spectrum of objectives, CARE actively promotes mental health awareness and emotional resilience. It offers personalized counselling services tailored to the unique needs of individuals, providing them with professional guidance to navigate personal and academic challenges. Through life skills development programs, CARE fosters emotional intelligence, resilience, and decision-making abilities, empowering individuals to handle stress and adversity effectively. Its community outreach initiatives aim to break down societal stigma, creating open spaces for dialogue and encouraging people to seek help without hesitation.

To further its mission, CARE regularly organizes workshops, seminars, and educational sessions designed to enhance awareness of mental health issues. These interactive events not only provide knowledge but also cultivate a culture of understanding and empathy. A key highlight of CARE's efforts is its annual celebration of World Mental Health Day, a vibrant occasion featuring competitions, activities, and creative engagements that promote awareness while fostering a sense of belonging and community. Through these initiatives, CARE becomes more than just a support system-it

transforms into a beacon of hope and encouragement, ensuring that mental health is prioritized, respected, and celebrated. As conversations around well-being continue to evolve, CARE remains steadfast in its commitment to creating an inclusive and compassionate environment where no one feels alone on their journey to mental wellness.

INSTRUCTIONS TO PARENTS / GUARDIANS

1. Parents may kindly keep in mind that by attesting their signature to the application form at the time of admission, they are presumed to have understood and accepted all the rules and directives of the college. They are requested to read through the contents of this Handbook and be familiar with the norms of the college and procedural requirements.
2. They are encouraged to visit periodically the college, meet the mentor in charge and monitor the attendance and performance of their wards.
3. A student is required to put in at least 75% of attendance. No student is permitted to be absent for class without permission. Please see the section on "Attendance" for procedures for leave application for genuine and serious reasons.

4. The parents are also provided with the facility of keeping track of the attendance and continuous assessment marks of their children through the Information Management System linked to the college website, www.claretcollege.edu.in. Parents are given a username and password to monitor their ward's attendance record and academic progress.
5. The parents/guardians may please note that no student will be permitted to attend the end-semester examination if he/she fails to have the required percentage of attendance. And if a student is ineligible to qualify for any two end-semester university exams due to shortage of attendance, the student will be required to leave the institution.

CERTIFICATES

Applications for certificates viz. conduct, course, T.C. etc., must be made via **Linways** with the required documents to the principal in writing (must be accompanied by a stamped self-addressed envelope, if the certificates have to be sent by post).

- a. It would take atleast 2 working days to make certificate ready once all the document are submitted.
- b. Duplicates will not ordinarily be issued.
- c. Transfer Certificates will not be issued if the student has any dues to the college by way of fees, fines etc.
- d. Copies of certificates may be attested by any Gazetted officer or the Heads of the department of any College and not necessarily by the Principal. The Principal will not be in a position to attest certificates at the time of admission.
- e. A nominal fee will be charged for every certificate.
- f. Students applying for Certificates, testimonials and other documents requiring the Principal's signature should contact the College office since all the details have to be verified before the document is signed.

CODE OF ETHICS TO CHECK MALPRACTICES AND PLAGIARISM IN RESEARCH

St. Claret College Autonomous, Bengaluru, is committed to upholding the highest standards of academic integrity. Plagiarism undermines the principles of trust, honesty, and fairness that are fundamental to the academic community. This policy outlines the College's stance on plagiarism and establishes procedures for preventing and addressing instances of plagiarism, in alignment with the University Grants Commission (2018) Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions Regulations [Notification No. F.1-18/2010 (CPP-II) dated 23 July 2018]. Furthermore, it defines the role of SCC's Library and Resource Centre in aiding Students, Scholars and Faculty Members with Plagiarism checks and provides submission guidelines for users.

1. Forms of Plagiarism Students Should Avoid

- Direct Plagiarism: Copying text, code, data, or images verbatim without credit; paraphrasing someone else's work without acknowledgement; submitting work done by someone else.
- Self-Plagiarism: Reusing your own previous work (data, papers) without citing it; splitting one study into multiple submissions without disclosure.
- Mosaic Plagiarism: Piecing together content from multiple sources without proper attribution.

2. Citation Requirements Students must follow the citation style adopted for their discipline (IEEE, APA, MLA, Chicago, etc.) for all academic submissions, using the official guidelines for that style.

3. Plagiarism Checks - What Students Need to Know.

- The college uses DrillBit software for similarity and AI-content checks.
- Students are encouraged to run an initial free check using open-source tools before final submission.
- Each document can be submitted for official checking a maximum of 2 times. Beyond that, prior approval from the HOD/Supervisor or Librarian is needed, and each additional check costs Rs. 200.
- Documents aren't reprocessed immediately - students must revise properly before resubmitting.

4. Permissible Similarity/AI-Content Limits

- UG students: up to 20% similarity and 20% AI-generated content
- PG students: up to 15% similarity and 15% AI-generated content

5. Submission Process

- Submissions must go through the official institutional email and clearly state the student's affiliation.
- Project reports, dissertations, and theses are not submitted individually - they go in bulk through the concerned faculty member/project guide to the Librarian or designated faculty.
- Final submission must include a hard copy of the DrillBit report, countersigned by the supervising faculty.
- Small content (blogs, abstracts, single-paragraph/page write-ups) is not eligible for similarity checks.
- Students are expected to avoid over-relying on paraphrasing tools or AI-generation software.

6. Penalties (Based on Similarity %)

- Level 0 - Within limit (UG $\leq$ 20%, PG $\leq$ 15%): Accepted as is.
- Level 1 - Above limit (UG >20%, PG >15%): Must revise and resubmit within a given timeframe; repeated failure may mean rejection and redoing the work.
- Level 2 - Above 50% (UG & PG): Manuscript may be rejected outright; further disciplinary action possible.

7. Appeals

- Students may appeal plagiarism-related decisions to the Institutional Research Ethics Committee (IREC).

8. Who to Contact

- Policy queries: Research Promotion Centre - ccri@claretcollege.edu.in
- Plagiarism tool/report queries: Librarian - scclibrary@claretcollege.edu.in

Centre for Academic Excellence (CAE)

The Centre for Academic Excellence (CAE) at St. Claret College Autonomous is committed to fostering a culture of quality, innovation, and continuous improvement in teaching and learning. Aligned with the vision and mission of the College, the Centre strives to enhance academic standards by promoting outcome-based education, faculty development, curriculum enrichment, effective assessment practices, and the integration of innovative pedagogies and educational technologies.

The Centre serves as a catalyst for academic transformation by organizing faculty development programmes, workshops, seminars and academic audits. It facilitates the implementation of institutional quality benchmarks, supports curriculum planning and review, and encourages scholarly engagement among faculty and students. Through collaborative efforts with various academic and administrative units, the Centre contributes to creating a learner-centric environment that nurtures critical thinking, research, professional competence, and lifelong learning.

With the autonomy granted to the College, the Centre for Academic Excellence plays a pivotal role in strengthening academic governance and ensuring that institutional practices remain aligned with national educational standards and global best practices, thereby advancing St. Claret College's commitment to excellence in higher education.

Certificate / Value Added Programs

SCC provides a number of Certificate Value Added Programs for skill development. The College provides state-of-the-art informatics and optimization expertise to the student community for improving their efficiency and competitiveness in the areas of Commerce and Management, Language Skills, Computers and Information Technology.

1. Microsoft Excel Associate

This certificate course equips students with advanced Microsoft Excel skills essential for business and professional environments. It covers data organization, formulas, functions, charts, PivotTables, data analysis, and report preparation. The course prepares students for industry-recognized Excel certification and enhances employability.

2. Data Analytics using Power BI

This course introduces students to business intelligence and data visualization using Microsoft Power BI. Students will learn to import,

transform, analyse, and visualize data through interactive dashboards and reports, enabling data-driven decision-making in business organizations.

3. Data Analytics

This course provides a strong foundation in data analytics by introducing students to data collection, cleaning, analysis, interpretation, and visualization. It develops analytical thinking and problem-solving skills using statistical techniques and modern analytical tools to support business decision-making.

4. Smart Investment - Technical and Fundamental Analysis

This course helps students understand the principles of stock market investing through both technical and fundamental analysis. It covers financial statement analysis, valuation techniques, chart patterns, technical indicators, risk management, and portfolio strategies, enabling students to make informed investment decisions.

5. Machine Learning using Python for Finance

The Machine Learning using Python for Finance certificate course equipped students open to all with foundational skills in Python, descriptive statistics, and machine learning for financial applications. Through hands-on training, students learned to analyse financial data, create visualisations, and apply predictive analytics techniques for financial forecasting and informed decision-making.

6. The Tour Costing Certification Programme

It is designed to equip travel professionals, tour operators, and aspiring tourism managers with essential skills in pricing and budgeting for travel packages. The programme covers critical aspects such as cost components, mark-up's, dynamic pricing, and profit analysis. Participants will gain practical insights into structuring competitive tour packages while ensuring profitability and compliance with industry standards.

7. The Forex Management Certification Programme

This offers comprehensive knowledge of foreign exchange operations essential for professionals in travel, hospitality, and Certificate Course in Global Distribution System (GDS) Operations international business. The course includes key concepts like currency conversion, exchange rate mechanisms, hedging techniques, regulatory guidelines, and risk management. Participants will be trained to handle forex transactions efficiently, ensuring compliance and minimizing financial risks in global trade or travel-related operations.

8. Certificate Course in Global Distribution System (GDS) Operations

This course equips students with hands-on skills in airline reservations, ticketing, fare calculation, and Passenger Name Record (PNR) management using industry-standard reservation systems. Through practical training and real-world simulations, participants gain job-ready competencies highly valued by airlines, travel agencies, and tourism companies. The programme enhances employability, strengthens technical expertise, and prepares students for rewarding careers in the global travel and aviation industry.

9. Advanced Excel Skills & Data Management

Microsoft Excel has become an essential tool in academics, business operations, data management, and decision-making processes across industries. This certificate course is designed to equip students with practical knowledge and hands-on skills in MS Excel, ranging from basic spreadsheet operations to advanced functions and data analysis techniques. The course aims to enhance students' efficiency in organizing, analyzing, and presenting data effectively, thereby improving their employability and workplace readiness. By mastering Excel functions, formulas, charts, and analytical tools, learners will be better prepared to handle real-world business and administrative tasks with accuracy and confidence.

10. Certificate Course in Employability Skills

The transition from academic learning to professional employment requires students to possess not only subject knowledge but also strong employability and interpersonal skills. In today's competitive job market, recruiters seek candidates who demonstrate confidence, professionalism, communication ability, teamwork, and interview readiness. Many students, despite having academic competence, face challenges in presenting themselves effectively during campus recruitment processes. The Certificate Program is designed to bridge the gap between academic preparation and industry expectations. The program focuses on enhancing students' professional grooming, workplace etiquette, group discussion performance, communication abilities, and interview skills through practical training and experiential learning activities.

11. Certificate in Digital Marketing & Analytics (CDMA)

In today's digital-first business environment, organizations rely heavily on online platforms to reach, engage, and convert customers. However, many students lack practical exposure to digital marketing tools and strategies.

This course is designed to bridge the gap between theoretical knowledge and industry requirements by equipping students with hands-on skills in SEO, content marketing, social media, paid advertising, and analytics. It prepares learners to plan, execute, and evaluate digital marketing campaigns effectively.

12. Certificate course on Financial Modelling Using Microsoft Excel

Students from both UG and PG will learn financial modelling using Microsoft Excel, progressing from basic Excel functions to advanced financial analysis and valuation techniques. The course emphasizes hands-on, project-based learning through real-world business scenarios, including budgeting, forecasting, financial statement modelling, and business innovation. Learners will develop analytical and decision-making skills using Excel tools such as Pivot Tables, Goal Seek, Solver, and financial functions. The course prepares students for careers in finance, accounting, business analytics, consulting, and investment management.

13. Research Methods & Academic Writing for Social Sciences & Humanities

B.A. students in the social sciences and humanities often lack the hands-on skills to execute research projects independently, hindering their ability to produce publishable work or contribute to fieldwork, such as NGO evaluations. This 30-hour certificate course prioritises practical training in research design, data handling, analysis, and writing, tailored for real-world applications in Humanities and Social Sciences relevant to Indian and global contexts.

The course aims to introduce research methods, research design, and problem formulation. It also focuses on building skills in data collection and analysis, developing academic writing proficiency, and instilling research ethics along with practical application.

14. VARTA - A Certificate Course on Spoken Hindi

VARTA is a skill-oriented certificate program designed to develop functional proficiency in spoken Hindi among learners. The course equips participants with essential Hindi vocabulary, basic sentence structures, and practical conversational skills required for everyday communication. Through interactive teaching methods such as role-plays, activity-based learning, audio-visual aids, and situational conversations, learners gain confidence in using Hindi effectively in academic, social, and professional contexts. The course also promotes Hindi as a link language for inter-

regional communication while fostering polite and culturally appropriate verbal interactions.

15. Certificate Course - Professional Trainer Development

This course equips students with essential skills to design and deliver impactful training programs. It emphasizes adult learning principles and facilitation strategies needed to work effectively with diverse communities. Learners will gain practical competencies in communication, engagement, and feedback to strengthen capacity-building initiatives. By mastering these skills, students enhance their employability and effectiveness in roles involving community training, NGO work, and development projects. The course intends to strengthen learners' understanding of adult learning theory, facilitation vs. training skills, and strategies for engaging diverse groups. By the end of the course, students will demonstrate effective facilitation skills by engaging participants through adult learning principles, body language, voice modulation, visual aids, and constructive feedback during and after training. Additionally, they will be able to design a complete training module that includes objectives, tailored agendas, roles, responsibilities, schedules, IEC materials, and logistics planning.

16. Certificate Course on 'No - Code Website Development'

This course introduces students to website and application development using no-code platforms. Students can learn website development without prior programming knowledge. The course focuses on practical and project-based learning methods. Learners will design responsive and user-friendly websites and applications. Students will explore popular no-code tools such as Wix, Bubble, and Webflow. Students will gain hands-on experience in creating web and mobile applications.

17. Certificate Course on Agentic Artificial Intelligence (AAI)

This course introduces students to the exciting field of Agentic Artificial Intelligence (AAI), where AI systems are designed to think, plan, and act autonomously to accomplish goals. Students will learn how agentic AI differs from traditional and generative AI and understand the key concepts, components, and operating principles of intelligent agents. The course also explores modern agentic AI architectures, popular development frameworks, and the challenges involved in building autonomous systems. Through practical laboratory exercises, students will gain hands-on experience in creating AI agents that can search for information, use memory to improve responses, and collaborate with other AI agents to

solve problems. By the end of the course, students will have a strong foundation in designing, developing, and evaluating intelligent agent-based AI applications for real-world scenarios.

18. Data-Driven Decision Making

This course equips students from all academic backgrounds with essential data literacy skills by introducing fundamental statistical concepts and practical data visualization using Power BI. It enables learners to transform raw data into meaningful insights for effective decision-making in real-world contexts and is offered from both Statistics and Data Science

19. Agentic AI & Generative AI Applications

This course provides a comprehensive introduction to Generative AI and Agentic AI, equipping learners with the knowledge and practical skills to design, develop, and deploy intelligent AI-powered applications. Participants will explore Large Language Models (LLMs), prompt engineering, AI agents, Retrieval-Augmented Generation (RAG), memory systems, reasoning, and multi-agent collaboration through hands-on learning and real-world projects. The program also emphasizes responsible AI practices, including ethics, security, privacy, and AI governance, preparing students to build innovative, autonomous AI solutions for research, education, business, and industry applications. By the end of the course, learners will be capable of developing intelligent AI assistants, automating workflows, and leveraging modern AI frameworks to solve real-world problems.

ATTENDANCE, EXAMINATIONS, EVALUATION & RELATED MATTERS: GUIDELINES AND REGULATIONS

Class Attendance Requirement

- The University Grants Commission (UGC) has mandated a minimum of 75% attendance in each paper to be eligible to write the End Semester Examinations (ESE). The College strictly adheres to this norm. There is no provision for condonation of attendance in the UGC act.
- The attendance for the students of the first semester is calculated from the date of joining the College.
- Any student who has a shortage in this requirement will not be allowed to write any of the End Semester Examinations. Classes are to be attended from the first hour. Frequent first hour absenteeism may invite disciplinary actions.

Leave and Attendance Regularization Policies

The following student attendance policy is implemented in accordance with the regulations of Bangalore University and the University Grants Commission (UGC):

- **Minimum Attendance Requirement:** Only students who secure a minimum of 75% attendance separately in theory and practical papers will be permitted to appear for the End Semester Examinations.
- **Attendance Regularization for Official Representation:** Students who officially represent the institution in academic, sports, cultural, artistic, or other approved events, with prior permission from the competent authority, will have their attendance regularized for the period of such participation. It is the responsibility of the student concerned to ensure that the attendance regularization process is completed.
- **No Attendance Concession for Medical Reasons:** The institution will not grant attendance for health-related absences, including hospitalization. Students are expected to maintain the mandatory attendance requirement by ensuring that their absence does not exceed the permissible 25% margin.
- **Mandatory Reporting at the Beginning of the Semester and After Breaks:** Attendance from the first day of every semester and from the first working day after scheduled breaks (such as Christmas and Easter

vacations) is compulsory. Students who fail to report to college on these days will be subject to appropriate disciplinary action.

- The students, parents and guardians are provided access to the institutional ERP (Linways) to regularly monitor the attendance records. Any discrepancy in the attendance entry must be submitted in writing to the Head of the Department at least three weeks prior to the commencement of the End Semester Examinations. Any complaint regarding class attendance after this deadline will not be entertained. The attendance report is presented to the students at the end of every month.
- After the final attendance list is prepared at the end of each semester, no request for alteration of attendance will be considered favorably.
- Each paper will have a maximum of 5 marks for attendance as per the table below:

Attendance (%)	Marks
90-100	05
85-89.99	04
80-84.99	03
75-79.99	02
0-74.99	00

EVALUATION SYSTEM

1. The evaluation of core papers (including Languages and General English) for UG programmes consists of two components: Continuous Assessment (CA) and End Semester Examination (ESE), with a weightage of 20% for CA and 80% for ESE, respectively.
2. Continuous Assessment (CA) for UG courses includes a centrally organized Mid Semester Test (1.5 hours duration for a maximum of 40 marks) and two activities, such as quiz, seminar, assignment, etc.
3. For undergraduate papers worth 3, 4 or 5 credits the Continuous Assessment (CA) marks will be calculated as follows:

05 marks from the Mid-Semester Test, 5 marks each for the two department-level activities ($5 \times 2 = 10$), and 5 marks for attendance in each paper.

For 2-credit undergraduate courses, the CA marks will be: 5 marks from the Mid-Semester Test and 5 marks for attendance in each paper.

4. For 2, 3, 4 or 5-credit postgraduate papers, 30 marks will be the CA marks for each paper. The CA marks will be calculated as follows: 10 marks from the Mid-Semester Test, 15 marks for three department-level activities, and 5 marks for attendance in each paper.
5. For UG practical papers, 20% (10/50) of which is for Practical Internal Assessment (PIA), the remaining 80% (40/50) of the total marks is for the Practical Semester Examination (PSE) which will be conducted towards the end of the semester. Out of the 10 marks for Practical Internal Assessment, 5 is for daily practical performance assessment and 5 is for Practical Internal Assessment (PIA) test.
6. For UG and PG programmes, the End Semester Examinations (ESE) of 3/4/5 credit courses will be held for 80 and 70 marks respectively and for 3 hours' duration. The UG Foundation Course examinations are held for 40 marks for 1.5 hours' duration.

Overview of Evaluation for Undergraduate and Postgraduate Programmes

The table shows the CA and ESE marks & the examination maximum time.

	Credits	Mid-Semester Examination		End Semester Examination	
		Max. Marks	Time	Max. Marks	Time
UG	3, 4, 5	40	90 min	80	3 hours
	2	40	90 min	40	90 min
PG	2, 3, 4	40	90 min	70	3 hours

SECOND LANGUAGE POLICIES

- Students who have studied an Indian language (that is offered in the college) in their qualifying examination (Plus two/ PU), should study either the same Indian language or any of the Indian Languages that are offered in the College: Kannada, Hindi, Sanskrit and Malayalam. For example, a student who studied Kannada in PU, can take any of the Indian languages offered in the College or French, but not Additional English.
- Any student can study the foreign language- French- that is offered in the college.
- Additional English is offered only to students who have not studied an Indian language in their qualifying examination.
- Students who, in their qualifying exams studied any of the Indian languages which are not offered in the college (Example: Tamil, Telugu, Marathi etc), can take French/ Additional English/ Sanskrit.

ELIGIBILITY TO WRITE END SEMESTER EXAMINATION

1. Students must have over 75% attendance in both theory and practical classes in each paper to be eligible for the End Semester Examination. Students will be permitted to write the End Semester Exams only in those papers in which they have the required percentage of attendance. If a student does not obtain at least 75% attendance in a subject, they must retake the subject at the next available opportunity.
2. Students are permitted to carry forward all papers not attempted due to a shortage of attendance. However, any student with less than 50 percent overall attendance in a semester is required to repeat the semester. These students must register for the supplementary examinations when eligible by paying the requisite examination fee.
3. If a student has a shortage of overall attendance in a semester and is required to repeat that semester, they will be permitted to attend classes with the next batch of students after taking a semester's break. The student will be classified as a supplementary student.

MINIMUM MARKS FOR PASSING THE EXAMINATION

1. UG students must score a minimum of 35% in ESE, and 40% in the aggregate of CA and ESE in each paper as minimum marks for passing the examinations. Even though there is no minimum marks required in CA, to be eligible to write the end semester examinations, students are encouraged to have at least 50% marks in Continuous Assessment.
2. To pass a paper, a postgraduate student must score a minimum of 35% in the ESE and 40% in the aggregate of the continuous assessment and end semester exams. Additionally, the student must achieve at least 50% in the aggregate of all papers in that semester to pass the semester.

Rules regarding the appointment of the Scribe for differently-abled students/examination for physically-challenged students

Scribes for writing the examination are allowed for differently-abled students. The writer has to be from a lower standard of academic qualification than the latter to ensure no scope for cheating. Compensatory time allotted should not be less than 15 minutes per hour of examination for persons using scribes. This facility is extended to students with a temporary disability or writing disability. Students with learning

disabilities are allowed to use computers to write the examination if they have difficulty in writing.

All seeking to write the examination using the scribe will be allowed to do so, provided they apply in the prescribed application form with supporting documentation (including information on current limitations, prognosis, and expected course or length of time academic adjustments may be needed). They are also eligible for the extra time as applicable for visually challenged students.

All students with communicable diseases like chickenpox will be provided a separate room for writing the examinations. Any person suggested by the differently-abled examinee for appointment as scribe/helper to write the examination and who is not writing the same examination as the differently-abled examinee is writing and also who is not studying in the higher class of the same course may be appointed as a scribe by the Controller of Examinations. Such applications must be submitted to the COE at least one week before the examination. In case of any change of such scribe/helper appointed earlier, the examinee shall obtain fresh permission from the COE.

OTHER EXAMINATION RELATED RULES

All answer scripts for CA Tests will be returned to the students, who are expected to keep them safe. If a student believes that there is a mistake in the marks given for any part of the CA test, they should discuss it with the relevant faculty within 2 working days of receiving the marked answer scripts. If the issue is not resolved, the student can escalate it to the Head of the Department within 5 working days. No further appeals will be considered after this time period.

MAKEUP TEST POLICY

1. If an undergraduate student is unable to take the mid-semester examination due to valid reasons such as (i) hospitalization, (ii) medically advised rest, (iii) NCC camp, (iv) participation in a university-level sports activity, or (v) humanitarian considerations (as assessed by the Principal), they may apply for a makeup test by submitting the prescribed fee before the deadline. In cases of pre-planned absences, prior permission must be obtained from the Vice Principal before the test date to be eligible for the makeup test. Applications for the makeup test will not be accepted after the specified deadline. Not all applications for the makeup test will be granted permission. A student may apply for a makeup test only once during the entire course, with exceptions made for deserving candidates.

The makeup test will be centrally organized, and the questions will cover the syllabus completed up to that point. The test will not include any bonus questions and will be conducted from 3:00 p.m. to 4:30 p.m. on regular teaching days. No attendance will be granted for participating in the makeup test.

2. For postgraduate students, if any makeup tests are required, they will be conducted by the respective faculty members after informing the Controller of Examinations (COE).
3. There is no provision for improving Continuous Assessment (CA) marks. Students who were present for the mid-semester test are ineligible to apply for the makeup test. If a student misses the makeup test for any reason, no further retest will be conducted for that subject.
4. Final year postgraduate students who have completed their dissertation, viva, thesis, project, etc., but are not eligible to take the End Semester Examination due to a shortage of attendance must repeat the semester. However, they do not have to repeat the dissertation, viva, thesis, project, etc. Their marks which have already been secured will be entered in the marks card.
5. If a student misses the End Semester Examination, there will be no Makeup Examination available. The student will be marked as "Absent" for the End Semester Examination and will have to take the Supplementary Examination for that paper during the next available chance.
6. All Continuous Assessment (CA) marks will be recorded in students' accounts on the ERP platform-Linways. Students will be notified when the CA marks are published on Linways. It is the responsibility of the students to verify their marks. If any discrepancies are found, students must report them to the respective subject teacher within three days of the publication of results. The teacher is then required to submit a correction note to the Office of the Controller of Examinations (COE) within one day.
7. Any concerns about the End Semester Examination question paper should be submitted in writing to the COE within one hour of the completion of the examination.
8. The final results of the semester will be available on the College ERP within 30 days of the last examination of the semester. Any issues regarding mistakes in the results or personal information should be

brought to the attention of the COE by the date specified on the result sheet.

9. Each student will receive a unique email ID and password to access their attendance and CA marks on the ERP. This password can also be used to download hall tickets and marks statements. For security, it is recommended that students change their password. If a student requires the password for a second time, whether the original or changed one, they must submit a written request to the office of the COE and pay the required fee.
10. The Provisional Degree Certificate (PDC) and Consolidated Marks Card (Transcript) will be available at the Examination Centre within 45 days from the date of publication of the final semester results for students who have successfully completed the programme. Students must apply for these documents by paying the prescribed fee and collect them from the Examination Centre within the stipulated time. Students who wish to receive the PDC and Transcript by post must provide their correct mailing address and pay the applicable postal charges.
11. Students who wish to obtain semester-wise Marks Cards must apply for the same by paying the prescribed fee.
12. Students are also required to apply for the Convocation Certificate from Bangalore University within the stipulated time by paying the prescribed University fee.
13. Following the Bangalore University Convocation, soft copies of the Convocation Certificate and semester-wise Marks Cards will be made available through the DigiLocker repository for students to download. Bangalore University does not ordinarily issue hard copies of the Convocation Certificate or Marks Cards. Students requiring hard copies may contact the Office of the Registrar (Evaluation), Bangalore University.
14. In every semester, students are required to register on the UUCMS portal to progress to the next semester. Failure to complete this registration will prevent them from progressing to the subsequent semester.
15. Students who discontinue their studies and are subsequently readmitted shall be governed by the rules and regulations applicable to the academic year in which they are readmitted.

IMPROVEMENT EXAMINATION (UG & PG)

1. If a postgraduate student fails to achieve a minimum of 50% in a given semester, they will be deemed not to have completed that semester, even if they have passed all individual papers with 40% or more. In such cases, the student must apply for improvement in one or more papers of their choice and take the supplementary examinations in those papers to achieve the required 50% in that semester. The higher marks between the two examinations will be considered the final score. If the syllabus or pattern of the question paper has changed, the student will be granted two additional attempts under the old syllabus or pattern. There is no restriction on the number of papers or attempts for improvement; however, the student must complete the course within four years of enrollment. This rule also applies to those who wish to improve their marks to 55%, which is required for further studies under UGC guidelines.
2. If a postgraduate student has already achieved a score of 55% or higher but wishes to improve their marks, they may apply for an optional improvement examination. This opportunity may be exercised only once, either during the course or within one year after its completion. While there are no restrictions on the number of papers within a single semester that the student may apply for, they are not permitted to select papers from different semesters. The student must submit the marks card along with the application form. The student will be required to take the next available supplementary examination, and the marks obtained in this attempt will replace the previous marks, even if they are lower. If a new syllabus or examination pattern has been introduced, the student must write the examination according to the new guidelines. A new marks card will be issued; however, the marks for continuous assessment will remain unchanged. This facility may be availed only once during the entire two-year course period. Candidates must apply in writing for the cancellation of marks scored in the End Semester Examination within one month of the publication of the examination results.
3. Undergraduate (UG) candidates who have achieved a minimum of 35% in the End Semester Examination (ESE) and at least 40% in the combined total of Continuous Assessment (CA) and the End Semester

Examination (ESE), and who have been declared passed in the respective paper, have the option to improve their marks through an optional improvement examination. To pursue this option, candidates must cancel their original End Semester Examination marks within one month of receiving the results. This is done by submitting a written request to the Controller of Examinations (COE) for the cancellation of the marks for that particular paper. Along with the request, the candidate must surrender the marks card issued for that semester. This cancellation can be applied to either a single paper or the entire End Semester Examination. The candidate must then take the next available supplementary examination, with the marks obtained in this attempt replacing the previous marks, even if they are lower. A new marks card will be issued reflecting the updated marks, while the CA marks will remain unchanged. It is important to note that a student may only avail themselves of this opportunity once during the entire course period.

PROMOTION TO THE HIGHER SEMESTER

All existing students must complete Course Registration in UUCMS at the beginning of every semester by registering only for the subjects allotted for that semester. Course registration is mandatory for attending classes, appearing for Internal Assessment (IA) and End Semester Examinations, and receiving semester results. At the beginning of every academic year, students must also upload the prescribed fee receipt in UUCMS to confirm their admission. Students are responsible for completing these processes within the notified deadlines, regularly checking their UUCMS student login for updates, and contacting the department or UUCMS Help Desk in case of any issues. Failure to complete course registration or upload the fee receipt on time may affect attendance, examination eligibility, admission confirmation, and access to academic records.

All students who have qualified to write the End Semester Examinations will be promoted to the next semester regardless of the number of papers they have failed. However, as mentioned above, any student with less than 50 percent overall attendance in a semester is required to repeat the semester.

REQUEST FOR THE SCANNED COPY OF THE END SEMESTER EXAMINATION ANSWER SCRIPTS

Undergraduate (UG) students may request a scanned copy of their marked answer scripts within the timeframe specified on the result sheet. The scanned copy, displaying all the markings, will be emailed to the students on the following working day. Postgraduate (PG) students may also apply for a photocopy of their answer scripts within the designated period. However, as examiners are not permitted to mark scores directly on the answer scripts, the photocopy of the PG papers will not show any examiner markings.

REVALUATION AND CHALLENGE EVALUATION

Undergraduate (UG) students have the opportunity to request a revaluation of their End Semester Examination answer scripts, including those from supplementary examinations. To initiate a revaluation, students must pay the required fee and submit the application form online by the deadline specified on the result sheet. The answer script will be reassessed by a different examiner, and the higher of the two marks will be considered the final mark for that paper. In cases where the revaluated marks show an increase of ten or more marks out of 80, students will be eligible for a 50% refund of the revaluation fee. If the increase exceeds twenty marks out of 80, the entire revaluation fee will be refunded. Additionally, UG students may request a review of the mark calculation by submitting an online application within the specified deadline and paying the prescribed fee, as noted on the result sheet.

Postgraduate (PG) candidates who believe that their answer script has not been evaluated fairly may request a challenge valuation by the deadline specified on the result sheet, subject to the payment of a prescribed fee. The application and fee payment must be completed online. The paper will be reassessed by two faculty members collaboratively, and the marks awarded during the challenge valuation will be considered final. If the candidate's claim is validated and they receive an increase of more than fifteen marks out of 70, the challenge valuation fee will be refunded.

There is no provision for revaluation in viva voce, practical examinations, dissertations, seminars, fieldwork, or term papers.

PRACTICAL EXAMINATION/ VIVA VOCE

1. To be eligible to take the practical examination in a particular subject, the candidate must have a minimum of 75% attendance. There is no minimum mark requirement in the internal assessment to be eligible for the practical examinations. However, it is advisable to score at least 50% in the practical internal assessment for each subject.

2. A student who fails to write the practical examination/viva voce examination has to take the supplementary examination in the next available chance. No student can change the batch or date of practical examination without the prior approval of the COE.

There is no provision for improvement/revaluation in practical examination / viva voce / dissertation / seminar / fieldwork / thesis marks.

SUPPLEMENTARY EXAMINATION

1. Students who fail any paper in the End Semester Examination (theory or practical) are required to take the Supplementary Examination for that paper. Students will take the Supplementary Examinations for odd semester papers during the odd semester examination period and for even semester papers during the even semester examination period, alongside regular students.
2. If the syllabus or question paper pattern is revised in a particular year, two supplementary examinations will be conducted using the old syllabus or pattern that the student was originally taught, starting from that year. This applies regardless of the number of previous attempts made by the student under the old syllabus. If a paper is entirely removed from the curriculum, three supplementary examinations under the old syllabus will be offered starting from that year, again irrespective of the student's prior attempts. If a student fails these examinations, they will be required to take an alternative paper as approved by the Controller of Examinations (COE) in consultation with the Head of the Department.
3. The marks obtained by a student in Supplementary Examinations will not be considered for ranking. However, these marks will be taken into account for the award of grades. Marks obtained through revaluation will be considered for ranking.

RANK CERTIFICATE / CERTIFICATE OF MERIT

1. Upon completion of the program, rank certificates will be awarded to the top two undergraduate (UG) students in each program, based on their marks across all papers and semesters. For postgraduate (PG) students, the first and second ranks will be determined based on the total marks obtained in all papers. Marks from foundation courses will not be considered when determining the rank.

2. All first rank holders will receive a gold medal, a cash prize, and a certificate.
3. A student will not be eligible for a rank if they have passed any paper in the subject through multiple attempts during the program. Similarly, a student will be ineligible for a rank if they were absent for the End Semester Examination (ESE) on the first available attempt for any paper and subsequently passed the paper in a later attempt.

Maximum time period to complete the programme:

UG students must complete their programme within 5 years and PG students within 4 years, with a possible one-year extension by the Academic Council for deserving candidates as per UGC guidelines.

Examination Grievance Cell:

All grievances related to CA marks must be addressed first to the concerned faculty, then to the HOD of the department, and if not resolved, to the Examination Grievance Cell. Grievances related to the ESE may be addressed first to the Controller of Examinations and then to the Examination Grievance Cell. However, no examination-related grievances will be accepted by the Examination Grievance Cell after one month of publishing the results of that semester.

UG PROGRAMMES: Additional Credits Policies

To be eligible for the award of an undergraduate degree, students must, in addition to completing the 140–150 credits prescribed for their programme over six semesters, earn the required additional credits through the credit-bearing activities offered by the College. Students admitted from the **2026–27** batch onwards must earn a minimum of **16** additional credits, while students of the earlier batches must earn a minimum of **8** additional credits. **Failure to meet this requirement will render a student ineligible for the award of the degree.**

The maximum additional credits that can be earned are **22** for students admitted from the **2026–27** batch onwards and **16** for students of the earlier batches. These additional credits will not be considered for the calculation of the CGPA or class rank. They will, however, be recorded on the semester marks card in which the activity is completed, providing additional academic credentials that may strengthen students' applications for employment and higher studies. The following table provides the details of the additional credit requirements and the credit-bearing activities available to undergraduate students.

Programmes	Credits	Assessment Plans
Life Skills Development Programme (LSDP) LSDP is an additional credit component for students admitted from the 2026–27 academic year onwards. For students admitted prior to the 2026–27 academic year, LSDP is integrated into the regular curriculum.	03	- Fifteen hours of LSDP classes are offered to all undergraduate students each academic year, either in the odd or the even semester. - Students who maintain 100% attendance in the LSDP programme are awarded one additional credit at the end of the programme each academic year.
Professional Skills Development Programme (PSDP) *MANDATORY For batches admitted prior to the 2026–27 academic year, PSDP credits are integrated into the regular curriculum. For students admitted from the 2026–27 academic year onwards, PSDP is a mandatory additional credit component offered outside the regular curriculum.	03	- The Professional Skills Development Programme (PSDP) is a mandatory course for all undergraduate students, with 15 hours of instruction offered in each of the first four semesters. - Students earn one credit upon the successful completion of the programme in each semester. - Assessment comprises continuous evaluation (workbook) and an end-semester examination. - Students who do not pass the end-semester examination on the first attempt are given a second opportunity. Those who are unsuccessful in the second attempt must complete the course through projects, assessments, and viva voce examinations, as prescribed by the Centre for Training and Placement from time to time.
Extension & Outreach	02	15 hours UBA activity/ 15 hours Social Camp/15 hours working at an NGO (1 Credit). - Department level activity (1 credit). - The activities mentioned above require prior approval from the Director, Academics for grant of Credits.

		Academic Council approved Certificate Course offered by CCCD (2 Credits)
Certificate Course/ Interdisciplinary Course/ Independent Elective/ Vocational Training- all approved by the Academic Council of SCC	02	- Minimum of 30 hours' duration. - Certificate Courses Offered by the department and approved by the Director of Academics. - Interdisciplinary Courses & Vocational Training Courses from other departments are also accepted.
MOOC Courses	01	Minimum 30 hours course. Pick courses only from those recommended by the department.
NPTEL Course *MANDATORY	02	Credits equivalent to the NPTEL credit will be considered. Minimum of 8 weeks duration.
Internship *MANDATORY	02	- Mandatory in the second year, completed during the break between II & III Semesters. - Internship logbook should be duly filled by the student and it should be assessed by the internship supervisor at the interning organization and by the internship mentor from SCC. - Internship completion certificate signed and sealed by legitimate authorities must be submitted. - Internships and field works that are part of the curriculum are not counted for additional credits.
Paper Presentation/ Poster Presentations/ Case presentations/ idea presentations	01	Paper presentations/ poster presentations/ case presentations/ business idea presentations/ hackathon/ bootcamp at both external and in-house national/international conferences will be considered.

		• The student must submit a full-length paper/ Case/ Business Idea • Maximum team of three students
Club Activity Credits	03	• Students who actively participate in approved club activities are eligible to earn one credit at the end of each of the three academic years. • The award of this credit is based on active participation in club activities, achievements in intra- and inter-collegiate events, and regular attendance in sports coaching, dance, music, theatre, and other approved club training and rehearsal sessions. • To claim this credit, students must upload the relevant certificates and supporting documents on the ERP portal within the prescribed timeline. • Credits will be awarded only after verification and approval by the Student Welfare Office.
Publications in Conference Proceedings and ISBN Listed Books	01	• Maximum team of three students
National Cadet Corps (NCC)	01/ 02 01	• 01 Credit to students who clear B Certificate • 02 Credits to students who clear C Certificate
Outstanding Achievements		• Only inter-university, national and international level achievements in sports, arts and cultural will be considered.

Note: Apart from the three mandatory components-PSDP, the NPTEL course, and the Internship (8 credits)-students may earn their remaining required credits through any of the other approved activities. For example, a student may complete two certificate courses to earn 4 credits, or complete an additional NPTEL course along with two paper presentations.

However, students may earn a maximum of 2 credits through MOOC courses and 2 credits through outstanding achievements. Through certificate courses and interdisciplinary courses combined, a student may earn a maximum of 6 credits.

PG PROGRAMMES: Additional Credits Policies

To complete a Postgraduate programme, in addition to the required **88** credits at the end of the **4** semesters mandated by the University, a student has to earn **08** additional credits from the many credit-bearing activities offered by the college. **Without meeting this requirement, degree will not be granted.** The maximum additional credits an postgraduate student can earn is **12**. These additional credits will not be counted for CGPA and Ranks. These credits will be recorded as additional credits on the marks cards of the semester in which the activity is completed. These credits will benefit students in applying for jobs or seeking admission to higher studies. The following table provides the details of the additional credits at the postgraduate level:

Programmes	Credits	Assessment Plans
Life Skills Development Program (15 hours in the I Semester)	01	100% attendance required for credit.
Professional Skills Development Program (PSDP) (I & II Sems: 20 hours in each semester- Total 40 hours)	02	- One credit each at the completion of the programme in the first two semesters. - Attendance, continuous assessment and end Semester Assessment (formative and summative assessments). 40% score is minimum requirement for credit.
Extension	03	- UBA activity/ Social Camp/Working at an NGO/ Department level activity of minimum 15 hours' duration- all with prior approval from the Director, Academics. - For MSW students, extension/ outreach activity that are part of the curriculum will not be considered.
NPTEL Course *MANDATORY	02	- Credits equivalent to the NPTEL credit will be considered. - One NPTEL course of minimum 8 weeks' duration is mandatory.

MOOC Courses	01	• Minimum 30 hours course. Pick courses only from those recommended by the department and approved by the Director or Academics.
Certificate Course/ Interdisciplinary Course/ Independent Elective/ Vocational Training approved by the Academic Council of SCC	02	• Minimum of 30 hours' duration. • Offered by the department/ Interdepartmental courses
Consultancy	01	• Minimum of 15 hours' duration • Documents such as the invitation for consultancy, and certificates related to consultancy completion must be provided.
Paper Presentations	01	• Paper presentations/ poster presentations/ case presentations/ business idea presentations/ hackathon/ bootcamp at both external and in-house national/international conferences will be considered. • The student must submit a full-length paper/ Case/ Business Idea • Maximum team of two students.
Publications * MANDATORY	01	• Full Publications in Conference Proceedings with ISBN number and Peer Reviewed Journals. • SCOPUS/ WOS publications are encouraged. • In-house Publications are not counted. • Maximum team of three students.

Note: Apart from the mandatory NPTEL course (2 credits) and Publications (2 Credits), students may earn their remaining required credits through any of the other approved activities. However, through MOOC courses, a student may earn a maximum of two credits only.

GRADING SYSTEM

Students are evaluated based on Continuous Assessment and the End Semester Examinations. For grading and classification, the performance of the students is first marked according to the conventional procedure. Marks are then converted into grades and grades into grade points by the ten-point grading system using the following table. The Semester Grade Point Average (SGPA)/Cumulative Grade Point Average (CGPA) shall be computed as

$$\text{SGPA / CGPA} = \frac{\sum (\text{Credits} \times \text{Grade point})}{\sum \text{Credits}}$$

GRADE DESCRIPTION

Graduate Attributes

Graduate Attributes are the qualities, skills and understandings a university or a college agrees its students should develop during their time with the institution (Bowden, 2000). These generic graduate attributes outline the overarching capabilities that will be developed by students. The following are the graduate attributes which St. Claret College, Autonomous expects its students to achieve by the end of their studies here.

Graduate Attribute 1. Intellectual Rigor: A commitment to excellence in all scholarly and intellectual activities, including critical judgement.

Graduate Attribute 2. Creative and Critical Thinking: An ability to be effective problem-solvers, able to apply critical, creative and evidence-based thinking to conceive innovative responses to future challenges.

Graduate Attribute 3. Team Work: An ability to work effectively as a member and leader in teams, preferably in a multi-disciplinary setting.

Graduate Attribute 4. Digital Capabilities: A competence and preparedness for living, learning and working in a digital society.

Graduate Attribute 5. Ethical Practices: A commitment to high ethical standards in social and professional lives and practices and to sustainability.

Graduate Attribute 6. Cultural Competence: An ability to understand, communicate with and effectively interact with people across cultures, being aware of one's own world view, and developing positive attitudes towards cultural differences.

Graduate Attribute 7. Communication Skills: A competence to convey ideas and convictions effectively to a range of audiences for a variety of purposes and contribute in a positive and collaborative manner to achieve common goals.

These Graduate Attributes are attained through various activities designed and implemented in the College such as:

- Curricular activities
- Co-curricular and extracurricular activities
- Workshops, seminars, skill development programs
- Industry-academia Interface
- Activities of clubs and associations
- Sports and games
- Add on and Certificate Courses
- Campus Community activities and outreach programs
