About St. Claret College

St. Claret College (SCC) was established in 2005 by the international Missionary Congregation of Claretians who manage two universities and over 150 educational institutions in 66 countries around the world. The Bengaluru campus is managed by Claretian Society for Integral Human Development established with the aim of providing holistic and quality education. St. Claret College offers value based education to transform students to be enlightened leaders and networkers who bring about a civilization of love and harmony. St. Claret College is recognized by UGC, permanently affiliated to Bangalore University and NAAC A+ accredited. SCC is dedicated to the principle that its educational services and faculty should be both supportive and challenging, distinguished by creative and interactive learning experiences for each student. In order to make the students employable, various corporate and non-profit organizational personnel are invited to give hands-on experience of the corporate world. In addition to the regular curriculum, special training by professional bodies is provided to equip the students with professional skills such as presentation skills, debating, group discussions, teamwork and leadership skills which enable them to get suitable jobs in the corporate world.

Vision of St. Claret College

Our Vision is to promote educational excellence, leadership, and service, based on universal love in an environment characterized by respect for the individual and concern for the community, so as to effect holistic transformation in each student.

Mission of St. Claret College

Our mission is to form intellectually competent, professionally skilled, spiritually vibrant, morally responsible, socially just and culturally sensitive global citizens through holistic Claretine education to advance a civilization of love and harmony.

Vision of Institution's Innovation Council at SCC

The MoE's Innovation Cell is providing an excellent opportunity to Higher Education Institutions (HEIs) to formulate an Innovation and Start-up policy to promote the culture of innovation among the students and faculty. St. Claret College is committed to create an appropriate environment for fostering the culture of innovation and start-up in the Institution. SCC's Innovation Council (IIC) has done a wonderful job in framing this innovation and start-up policy. St. Claret College has been vibrantly participating in the initiatives of the MoE's Innovation Cell by launching activities such as the Innovation Ambassador Training Programme in the institution; by participating in NIRF, ARIIA Ranking and all IIC activities.
