About Innovation Week 2026

Innovation Week 2026 is a flagship initiative by the Claret Centre for Research and Innovation (CCRI) to foster a culture of creativity, research and **entrepreneurship** among students and faculty. It brings together thought leaders, innovators, industry experts and the academic community to explore ideas, address real-world challenges and create solutions for a better tomorrow.

“Innovation distinguishes between a leader and a follower.”
– Steve Jobs

Objectives

-  Foster a culture of innovation, research and entrepreneurship.
-  Provide a platform for idea generation and collaboration.
-  Encourage problem-solving for real-world challenges.
-  Nurture innovative mindsets for a sustainable and inclusive future.
