

Vishwas Bopanna

Entrepreneur | Startup Consultant | Engineer | Trainer

Vishwas Bopanna is a dynamic entrepreneur with over 15 years of Experience and the Founder & CEO of Obbe Innovators and Stays42, where innovation and strategic foresight drive cutting-edge solutions across technology and lifestyle sectors. With an Engineering Degree and a Post Graduate Diploma in Agritech Business (PGDAB), Vishwas merges technical expertise with business acumen to build ventures that challenge the norm.

Beyond business, Vishwas is deeply engaged in civic and social impact initiatives. He serves as Chairman of the Computer Society of India, Bangalore Chapter; Vice President of the Kayaking and Canoeing Association of Karnataka; and Secretary of the Global Cancer Foundation. His diverse contributions reflect a commitment to technological advancement, outdoor sports, and global health awareness.

A skilled navigator of systems and ideas, Vishwas thrives at the intersection of leadership, innovation, and purpose-driven collaboration.
