MSWDSCF 3425: CHILD AND FAMILY CENTRED SOCIAL WORK

TIME: 3 hours.

MAX. MARKS: 70

This paper contains TWO printed pages and THREE parts

Instructions:

1. Verify and ensure that the question paper is completely printed.
2. Any discrepancies or questions about the exam paper must be reported to the COE within 1 hour after the examination.
3. Students must check the course title and course code before answering the questions.

PART-A

Answer FOUR questions out of SIX. Each answer carries FIVE marks.

[5x4 = 20]

1. List the major milestones of Physical and Motor development.
2. Mention the key child rights enshrined in the Indian Constitution.
3. Explain the clinical features of Autism Spectrum Disorder.
4. Write short notes on the NASW Standards for Social Work Practice in Child Welfare.
5. Discuss the importance of family dynamics and evaluate how conflicts and communication patterns affect family wellbeing.
6. Explain the functions of family in relation to socialization and emotional development.

PART-B

Answer any TWO questions out of THREE. Each answer carries TEN marks.

[10x2=20]

7. Explain the causes, consequences, and strategies for reduction of infant mortality in India.
8. Evaluate the impact of changing trends in family values and relationships on Indian society.
9. Critically examine the issues affecting families, such as domestic abuse and elder abuse, and their implications for social work practice.

PART-C

Answer any TWO questions out of THREE. Each answer carries FIFTEEN marks

[15x2=30]

1. Evaluate the RMNCH+A programme, highlighting achievements and gaps in maternal and child health.
2. Write a detailed essay on Evelyn Duvall's life span approach, elaborating on the characteristics, goals, needs, and problems at each stage.
3. Evaluate the role of family in promoting the health of the aged, and discuss the need and importance of geriatric social work in the Indian context.
