Wild birds are afraid of us. They fly away when we go near them. But it is easy to be friendly with any bird. You must be patient and have plenty of time. You must not try to catch a bird or hurt it. Vikrant always feeds the birds which come to his garden. They are quite wild. But they are also hungry.

At first they were afraid of him. He used to put some food on the top of a wall for them. They waited until he went back into the house. And then they flew down to eat the food. After a few months they used to sit on the wall. Waiting for him. They came closer and closer to his hand. Because there was food in his hand. Now some of the birds eat the pieces of bread out of his hand. He also feels fortunate feeding the birds. He calls it the best service to god. To all his enquiring friends. He even recommends that we should serve all the living beings.

Questions :

- 1) Why do wild birds fly away when we go near them ?
