B) Read the following passage and answer the questions below :

Species after species, deprived of their original habitat, have fallen under the farmer's plough or the poacher's gun and are heading rapidly towards extinction. The snow leopard was once the lord of the upper Himalayas. Optimistic estimates put the present number of snow leopards at less than three hundred which is dropping further rapidly. The barasingha with its magnificent antlers, is now confined to the Kanha National Park in Madhya Pradesh.

The Nilgiri thar faces extinction, it is killed for its meat, the chatter of the black faced Nilgiri langur is falling silent, the oil from its fat is sold as a balm and its skin is relished by poachers. The Indian python is mercilessly killed for its skin.

People are beginning to understand that wiping out wildlife is not an isolated catastrophe. Along with the animals, forests would be denuded, rivers would flood and top soil would be washed away. In short, it would be a total ecological disaster.

1) Read the meanings given below. Now, find one word from the passage to replace the description.

i) Modern destruction and suffering on a large scale.

ii) The natural home of an animal or plant.

iii) Extremely attractive and impressive. (3×1=3)
